

World Marine Service

WMS is part of a group of companies with interests in the shipping industry, yacht marinas and aviation. Specialising in vessel calls to the port of Gibraltar, WMS aims to provide the best levels of service and ensure customer satisfaction in everything we do. Our head office in Gibraltar can also offer you our complete range of services in all other ports in the Strait of Gibraltar, the Canaries, Malta and North Africa, where excellent institutional relationships are in place.

Our Standards

- ✓ **Clear responsibility and communication**
- ✓ **Competitive sourcing with strong local & global contacts**
- ✓ **Proactive planning and organisation**
- ✓ **Positive attitude**

World Marine Service is an independent ship agent acting with our customers as our main priority, ensuring no conflict of interest and the best service for our customers. Our head office control all port calls throughout the region giving you a central point of contact with up to the minute information regarding the status of your vessels. A port status report can be provided twice a day detailing weather conditions, congestion and delays.

WMS can take care of:

- Bunkering
- Cash to Master
- Crew change arrangements
- Meet & greet
- Crew medical assistance
- Launch coordination service
- Spare parts logistics and customs clearance
- Repairs
- Bonded goods / Provisions
