

# World Marine Service

WMS is part of a group of companies with interests in the shipping industry, yacht marinas and aviation. Specialising in yacht calls to the port of Gibraltar, WMS aims to provide the best levels of service and ensure customer satisfaction in everything we do. Our head office in Gibraltar can also offer you our complete range of services in all other ports in the Strait of Gibraltar, the Canaries, Malta and North Africa, where excellent institutional relationships are in place.

## Our Standards

- ✓ **Clear responsibility and communication**
- ✓ **Competitive sourcing with strong local & global contacts**
- ✓ **Proactive planning and organisation**
- ✓ **Positive attitude**

One of our aims at World Marine Service is to make Gibraltar more attractive to the yachting community. Gibraltar is a key fuelling port for yachts and World Marine Service is proud to provide a fuel broking service to ensure you receive the best prices and the best coordination of services during your visit and throughout the world.

Please visit our website for a more complete selection of services WMS can offer:
